

District 8-C

The Hot Topic of the Month is Workshops!
There are many available for us the district to give in support of us the group to take for support; all we have to do is speak up. Ahhhh, but what is available you ask????

Archives – Should your group have Archives? Good question? Maybe a workshop would answer that and what do you keep in an Archive, what is the best method to preserve it etc? A workshop to answer all these questions as well as whom does the job in your group could be done.

Grapevine/La Vina – Why is this meeting in print so important to us as an alcoholic? Why do we need a representative in our group responsible for Grapevine subscriptions? A workshop to answer these and how to use the Grapevine as a group could be done.

Newsletter – Does the district want to expand the newsletter and put more committee members on the panel? What things would they put in a Newsletter? What is the purpose of a Newsletter? Questions to this can be answers at a workshop.

PI/CPC – What is it and why is there a slot in a group level called Public Information Chair?

Correctional Facilities – We have an outstanding Corrections Chair.. But is that the only facility we should be in? Is your group willing to go into other facilities? How do you go into another facility?

District 8C February 2008

Workshops continued

Treatment Facilities – Besides the workshop weekend in San Marcos Texas, Feb 15-17 we can have a workshop here in our district. Does your group want to carry the message into the institute?

Bilingual - There is equipment available and there are translators available at each area event so that no matter who the speaker all can understand and no one is left out. The equipment and the importance of this job can be explained to us. I used the equipment to listen to a speaker at one of the area events it was very helpful for me.

District Picnic – The District Picnic is usually held the first week in June. We need support in the way of people in order to pull it off. It is a huge undertaking to achieve this.

What would you like to see in this newsletter? Please submit your ideas, it's your newsletter too

District 8c meets the Second Saturday of the month. All are welcome to participate.
